Board Nominee Statements

Dennis Evanosky is the co-publisher of the Alameda Sun newspaper and a free-lance writer with eleven published books to his credit. Dennis leads walking tours and gives talks for the Oakland Heritage Alliance (OHA) and leads tours at the Pardee Home Museum, Mountain View Cemetery and Preservation Park. He gives historical walking tours for the Alameda Walks program and historical talks at both the Alameda Museum and the Alameda Free Library. He is the editor of the Alameda County Historical Society's newsletter and currently serves as President of the Alameda Museum.

Ashok Katdare I have been a Museum docent for six months, and I was a docent for the 2017 Legacy Home Tour. I volunteer at the Berkeley Art Center, Frank Bette Gallery, Oakland Ballet and the ACT library in SF.

I am a Director of the board of the condominium where I live in Alameda. I served as a board member at a Regulatory organization assisting the US-FDA with Quality audits of Pharmaceutical manufacturers.

I have ideas to improve interactions with museum visitors and to increase involvement of younger people in appreciation of history of Alameda that I would like to work to implement.
