Available for K270, K410, K420, K424 XC, Mobile Office, K440, K470 and K470 PLUS.

Exterior colors offered at additional charge. Applying a finish increases delivery time by 3-5 business days. All painted case sales are final, we cannot provide touchups.

For an additional fee, you may order your ZARGES K470 case with a painted finish. We offer 20 stock RAL colors which we apply by hand at our Charlotte, NC Tech Center. The glossy paint covers the entire exterior, excluding any plastic trim pieces in the handles and latches.

## Industry News

We don't hear about this all the time, but it is happening everyday somewhere as a result of Li Ion Batteries.
